CONGRESMG.FR/EN

The Collège de la Médecine Générale is pleased to invite you to its 13th Congress of General Practice Medicine (**CMGF 2019**), which will be held from April 4th - 6th 2019, at the Palais des Congrès in Paris.

This meeting has become a must-attend event that showcases the latest research results and learning opportunities in general practice and family medicine, both in France and abroad.

Over two and a half days CMGF 2019 will address various subjects that impact general medicine specialists including different fields of care, training and research. The meeting will also tackle challenges created by environmental and societal issues.

Highlighting the daily work done by our community, the conference will offer plenary sessions, scientific presentations and collaborative workshops with time dedicated to debates and practical workshops. In addition, let's not forget the English sessions that allow our international peers to participate and exchange with French GPs. The integration of sessions in English is also an opportunity to raise awareness of this meeting among our colleagues at WONCA.

The Congress of General Practice aims to provide a platform to exchange experiences and professional training. By combining our competencies and joining our forces, we will be better equipped to assure the future of our discipline.

We look forward to welcoming you in April 2019 at this unique gathering!

Pr. Pierre-Louis Druais
President of Collège de la Médecine Générale

Dear Colleagues, Dear Friends,

The 13th Congress of General Practice Medicine France (CMGF 2019) will be held from April 4th - 6th 2019 at the Palais des Congrès in Paris.

We are pleased to announce that sessions in English will be available during the entire conference.

Plenary and roundtable sessions will focus on:

- Continuing Medical Education (CME) and Continuing Professional Development (CPD)
- Caring of refugees
- Quality indicators for GP/FM, health systems
- Vaccinations
- E-health

CMGF 2019 will also offer oral communications, posters and a session dedicated to "One slide, Five minutes".

Visit the official website for more information: congresmg.fr/en

ENGLISH LANGUAGE WORKSHOPS

This year, the English sessions will be dedicated to:

- Continuing Medical Education (CME) and Continuing Professional Development (CPD), is there a challenge for European GPs?
- Quality indicators and the relevance of indicators in General practice; how to conceive and execute?
- How to care for refugees? Experiences from GPs of first line countries.
- Vaccine reluctance: how to deal with people's hesitancy to use safe and effective vaccines to prevent serious, sometimes life-changing or fatal diseases?
- E-health: telemedicine, tele-expertise, tele-monitoring, connected devices. How does this impact the doctor-patient relationship?

ORAL COMMUNICATION

Two sessions composing of several presentations for English Oral Communications will take place during CMGF 2019.

POSTER WALK

Opportunities for presenting during the CMGF 2019 poster walk are available. You can present your poster during 15 minutes and then 5 minutes for questions.

5 MINUTES - 1 SLIDE SESSION

A session for researchers, the “5 minutes - 1 slide session” gives the opportunity for those wanting to suggest an idea for research, raise questions concerning current research issues or wanting to invite others to participate in a planned study. This session is not for communicating preliminary results.

As the title suggests: 5 minutes – 1 slide!

INTERNATIONAL BOOTH

Take an appointment at the international booth to discover the European organisations and events.

NEW TO CMGF 2019!

Posters presentations with audio recording: This year, in addition to displaying your poster during the congress, you can also broadcast its content as an audio presentation thanks to the CMGF 2019 mobile app. (*maximum 2 minutes*)

GENERAL INFORMATION

CONGRESS VENUE

PALAIS DES CONGRÈS DE PARIS
